

Services & Rates

B2B is pleased to provide your company with a wide array of production services, specializing in professional high-end custom websites and print media production.

All work contracted to B2B, must have a signed "B2B Agreement" for production to begin. We provide quality services for below market price as a way to add even more value to the Thomas offerings. For further details regarding our services visit our site at <http://www.b2bdd.com/> or contact your ThomasNet Representative.

- **Up to 5 HTML Pages: \$2995**
Includes design concept & development of 5 standard search engine friendly HTML pages. Up to 2 samples of design layout proposal.
- **Additional HTML Pages: \$220/page**
Each page includes 2.5 hrs. of production time for plain HTML coding.
- **Home Page Design for Integration into Thomas Catalog \$1200**
For any additional HTML page - **\$220/page.**
- **ThomasNet Hosting - Integration of New Website into Thomas CMS: \$200**
(typically it takes about 2 hours.)
- **Contribute Implementation: \$100**
Set up of pages + connection key. Client needs to purchase software.
- **Custom Form Development: Starts at \$220**
If the client hosts with someone other than with B2B, an **hourly fee of \$100** will be charged for any backend implementation/ server support. Size of form and complexity of coding will affect the price. It is recommended that clients host with B2B.
- **Multimedia/ Flash Animation: \$120 per hour**
B2B will provide an estimate of hours.
- **Photography & Scanning: \$100 per hour**
- **Domain Name Registration: \$29.95** for the first year. **\$19.95** for each consecutive year. We will register the domain in the client's name, insuring full domain name ownership by the client.
- **Hosting: \$28.95** per month for up to 50 mb of space plus a maximum of 20 emails (includes Spam Filtering System at server level)
\$22.95 per month for up to 50 mb of space. No emails.
- **Tracking Software:** WebTrax provided free of charge with ThomasNet Program.

Please Note: For any additional implementation or special coding that has not been included on contract, the client will be charged based on services' rates stated above. A Thomasnet **Notice of Change** contract and client's signature will be required in order to proceed with work.

- **Website Updates/ Maintenance:** A **\$100 per hour fee** for updates on existing pages of websites will apply. The amount of changes or additions and complexity of coding will affect the price. The rate \$220 will be applied upon request of adding any new page.
- **Print Media:** B2B offers graphic design services such as logo design, corporate identity, catalogs, print advertising campaigns, brochures, line cards and business cards - a quote will be provided.
